

May 1st, 2017

Dear Parents,

Is it really May already?

In May comes our exciting puberty talk. I talk with our young ladies and Mr. Pellicane takes our 5th – 8th grade boys and speaks with them. If you wish to have “the talk” with them instead, please let me know. We will be having our puberty talk on May 5th.

5th grade autobiographies are due May 15th. They are a lot of work and count as two language grades, please make sure they are working on it. This is something you will want to treasure!

We have our graduation / end of the year performance coming up on Thursday, May 25th at the Moose Lodge. Keep a lookout for the time! Don't miss it, it is too cute!

On the last day of school, May 26th, is our last field trip of the year. We will be going to Celebration Station! There is NO charge for the students, they have earned lunch and play time for all of their hard work at our breakfast café.

Thank you for sharing your delightful children with us.

Sincerely,
Gail Gilmore
Tina Corteo
