

Dear WOK families,

We have book reports due Oct 4th.

Our tour of Publix Dairy Land is Oct 5th. They take you through the plant, explain patiently, and then comes the best part... Downstairs, we are each treated to a bowl of ice cream. We do not have choices in flavors but still yummy!

October 13th is our 2nd Annual World's Finest Chocolate Fundraiser Kick off Party! Get ready to sell some chocolate. We have some cool new prizes and exciting giveaways. Parents are welcome to attend, keep an eye open for specific times.

October 16th – Hurricane make up day. Hours are from 9 AM – 3:15 PM ONLY. No before or after care will be available.

Your child(ren) will bring home the name of a country to represent and on Oct 31st our children do a parade of nations throughout the school. Parents are welcome to come and watch! We then go back to our classrooms to have an International Buffet. After the children have been served, then the adults are welcomed to partake in the food.

We can't stuff much more into October! We would LOVE to see more parents / family members on field trips and our special days.

Yours,

Gail Gilmore
