

# Lower Elem January

## WHAT WE ARE LEARNING

- Math –
  - 2nd grade Regrouping add/sub
  - 3rd grade Multiplication/Division
- \* Reading – Reading comprehension
- \* Word Study-Weekly spelling words
- \* Science –
  - 2nd grade Plant life cycle
  - 3rd grade Adaptations in Land Development
- \* Social Studies - Studying the life of Martin Luther King Jr.

## HOMEWORK

Read every night for 20 minutes

We will not have Readworks.org during the month of January

## NOTES FROM THE TEACHER

I hope everyone had a great Holiday Break. I have added a few things for 2nd semester, first our class will be connecting with other school from around the world (Penpal) and will be sending/receiving letters. We are really excited about this! Second, the students will begin a beginners coding class. We have a fieldtrip on January 19th to the Brooksville Raid. Please return the permission slip as soon as possible. We are also in need of volunteer driver. Come see me if you are able to help.

## IMPORTANT DATES

- \* January 15th - No school
- \* January 17th - Hot dog lunch fundraiser - cost \$4
- \* January 17th TCBY fundraiser in Trinity
- \* January 19th - Fieldtrip
