

January 9<sup>th</sup>, 2018

Dear Parents,

Your children have all learned to write all their letters in cursive. Please encourage them to practice writing in cursive. They will then have a skill that many adults may not have.

Our field trip is January 19<sup>th</sup> to the Crystal River Archaeological Park. The scenery is beautiful and they receive a lesson in our native ancestors for this was an Indian habitat. Please pack a bag lunch AND a drink. Please have them wear their yellow field trip school shirt. This day also signifies my last day at World of Knowledge. It has been an honor to have each of your children in my classroom. You should be proud of them! I am sure I will see you on campus from time to time.

Please feel free to stop in and meet Mrs. Denise. She is a lovely, kind and very educated woman. I think you will be very happy with her teaching your children.

Sincerely,

Gail Gilmore

Tina Corteo
