

# MARCH NEWSLETTER

Dear Parents,

It's unbelievable how fast our year is just flying by. Your children have been hard at work, and we are very proud of them!

Here at World of Knowledge, we do IOWA testing. This is to demonstrate your child's progress. It is just a guide for both you and the teachers to help further your child's education. This will be in April. Please be on time, get a good night's sleep, and have a healthy breakfast. These are very important during testing!! If you are late, you have to take the test on a make up day.

We will study:

Language - Letter sounds, word building, sight words, silent e, punctuation, reading fluency,

Math - Quantity to #, geometry (Shapes), money, addition, subtraction

Science - States of Matter, Dr. Seuss, Spring, Easter

Geography - Finish Asia, Africa, Egypt, (Pharaohs, Pyramids, Mummies)
