

Upper Elementary October Newsletter!

We made it to October! Woot Woot! Just a couple of announcements!

October 1st the middle school and our class will be watching a bullying movie since it is national bullying prevention month! Just a reminder that we do sell Stop the Bullying T-shirts for \$5.50, please see Ms. Jocelyn for purchase! On Wednesday October 3rd the "Me" poster is due for both 5th and 6th grades and each day it is late it will be minus 10 points; so let's turn them in! On that same day the International day assignment will be assigned and due on October 31st. We can't wait to see the outcome.

For 5th grade lesson 2 in their science textbook will be assigned on October 8th and due October 24th. For 6th grade chapter 2 will be assigned in their civics textbook and due October 26th! I know some parents have been asking about book reports and guess what? They will be assigned on the 8th and due date will be determined! Progress reports will be out on Tuesday, October 16th.

It is confirmed that Harvest Moon fun farm will be our October trip! It is planned for the date of Friday October 26th. The corn maze, hay ride and petting zoo are just a couple things we will be doing. It is \$7 per student & parents! If you have the time please sign up to be a driver we are all super excited for this!

Thank you!

Mrs. Irby and Mrs. Corteo
