

OCTOBER PROJECT: International Day

On Wednesday October 31st, we celebrate International day. Your child should choose a country to represent, and wear a costume (wear the costume to school/we'll change before lunch). Bring in a dish of food from that country to share. Please bring a change of clothes for the children to play in the afternoon. (It can be a dress down day, no uniform required.)

We will parade around the school to each classroom to show the other students our costumes beginning around 9:30. Parents are encouraged to attend if possible.

In class we will do research about each country, and the students will color a flag from that country as well. If you have any questions, please let us know.

Sincerely,  
Ms. Janice  
Ms. Ashley
