

NOVEMBER NEWSLETTER

Dear Parents,

Your children have been working very hard, and we are so proud of how they are progressing.

This month we will study:

Language - letter/sound recognition, word building, verbs, blends, sentence building, Story Map/ Characters, Setting, main idea, and practice on **READING**

Math - quantity to number, 5/10's counting with beads, Addition, subtraction

Geography/

Science - Europe, Colonial Times, Thanksgiving, Fundamental Needs, and Giving & Sharing

Practical Life - Preparing bread and vegetables for our **FEAST**

In the nature of giving and as a part of our Fundamental Needs lesson, we will do a project in class. We are creating cards and sending them to Bay Pines Hospital for Veterans Day. Each child will do 2 or 3 and it will be a special little gift for patients at the hospital.

We will have a box in the classroom to collect can goods to donate to Metropolitan Ministries. We collect these every year for families who are in need. We have so much to be Thankful for, why not share the love.

On November 16th we will have our Thanksgiving Feast. All parents, grandparents and family are invited to join us. We will be busy preparing the meal all week. All classrooms prepare food. Our Feast starts around 11:00. If you are in need of parent involvement hours, this is a great opportunity to get some. We have the food ready, and we just need help baking it. There will be sign up sheets in the office. Whether it's a pie or a whole turkey, your help is greatly appreciated. It takes a lot of involvement to make a meal for 100+ classmates, friends, and family. It's a wonderful tradition at World of Knowledge!

As always any questions or concerns, please let us know.

Sincerely,
Ms. Janice
Ms. Ashley
