

## February Newsletter

Love is in the air! This month we will be celebrating Valentine's Day in the Classroom as well as "bring someone you love to lunch" Both will be held on Feb. 14th. Please make sure to include one for each student, see list below. Please send your child to school with a treat or card to share with their friends, as well as a container or bag to collect them in. This could be a fun time to make a cute Valentines box as a family at home.

### Here are our lessons for the month:

Practical Life: washing, lacing, buttoning, zipping

Sensorial: shape building, emotion bear puzzle, hard/soft

Language- letters y, z, x, e. word building - small group work

Math- heart counting, introducing money, Addition- small group work

Geography- Asia

Science- Dinosaurs/Reptiles

Valentines

### Dates to remember:
